

## Message from the Board Chair & Director

Dear neighbors,

In 2020, our world like so many others, was completely changed after the first COVID-19 patient was identified in Washington state. What did not change, was our Foundation's commitment to support EvergreenHealth Monroe's mission to advance the health of the community it serves through our dedication to high-quality, safe, compassionate and cost-effective health care.

Beginning in March, our efforts turned to support our hospital's most critical needs, ensuring EvergreenHealth Monroe had the supplies, equipment and personal protective equipment it needed to provide the level of care our community needed.

Thanks to our incredibly generous community, our Foundation was able to provide tens of thousands of procedural and cloth masks, meals for dedicated staff, gowns and sanitizers our hospital needed to safely remain open for our East Snohomish residents.

The Foundation's signature fundraising Blue Jeans and Boots Gala was reimagined into a week-long virtual

experience featuring a robust silent auction, videos of EvergreenHealth Monroe's response to the COVID-19 pandemic and a strong peer-to-peer giving platform. Funds raised through the Gala were immediately invested in new CAPR respirators and converting patient rooms to negative airflow, which is needed to care for COVID-19 positive patients or anyone requiring isolation.

In 2021, our Foundation looks forward to continuing to partner with our community, family foundations and corporate sponsors to enhance the health care of our community. We thank everyone, including our Foundation's Board of Trustees, who make investing in our local health care a priority by bringing real enhancements to EvergreenHealth Monroe.

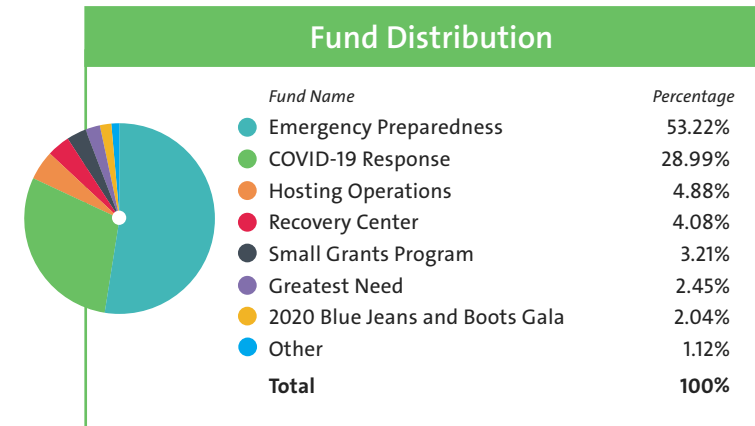

Sincerely,

**Dianne Forth, President**  
EvergreenHealth Monroe  
Foundation Board of Trustees

**Blake Vintertun, Director**

## 2020 EvergreenHealth Monroe Foundation Financial Report

## EvergreenHealth Monroe Employees

From their commitment to the health and well-being of patients in the Sky Valley community, to their warm-hearted giving through the IGIVE workplace giving program, staff and colleagues continue to make EvergreenHealth Monroe a great place to work and receive care.

The following are some of the projects that benefit patient experience, quality and safety, that have been made possible through the generosity of staff and by small grants awarded by the EvergreenHealth Monroe Foundation:

- AED training units
- Video recording equipment to provide patients with virtual education classes
- Patient comfort and safety equipment
- New exercise equipment (The Recovery Center)
- Stop the Bleed control kits
- Audio and visual equipment for group classes at The Recovery Center
- Additional security cameras
- Remote temperature monitoring (Lab)
- Staff duress alarm system
- Transportation options upon discharge
- Activities for memory care patients
